**THE STATE OF NEW HAMPSHIRE**  
**TOWN WARRANT**

---

To the Inhabitants of the Town of Pelham, in the County of Hillsborough, in said State, qualified to vote in Town Affairs: Polls open 10 A.M., close 6 P.M. (L. S.)

You are hereby notified to meet at the Town Hall in said Pelham on Tuesday, the 9th day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing, and as provided by law.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. That is to see if the town will vote to accept the town budget as prepared by the Budget Committee, and to take action thereon.
3. To see if the town will vote to raise and appropriate \$1731 as the town's share of State Aid Construction on the Animal Farm road, the State to contribute \$3462 as the State's share.
4. To see in what manner the town will finance the Emergency Note of \$3000 borrowed by the Selectmen and Treasurer for the repair of Bridges, and fire bills.
5. To see if the town will vote to insert in the Zoning and Building by-laws the following: That no permanent building shall be erected without obtaining a building permit.
6. To see if the town will vote to continue the Zoning and Building by-laws, and to raise such money as may be necessary to finance the same.

7. To see if the town will vote to raise and appropriate a sum not exceeding \$115.47 (1/100 of one percent of the town's valuation based on the 1947 assessment) to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town in cooperation with the other 37 communities in the Merrimack Valley Region.

8. To see if the town will authorize the selectmen to distribute the inventory blanks when they make their annual appraisal in April.

9. To see if the town will authorize the selectmen and town treasurer to borrow necessary money in anticipation of taxes.

10. To see if the town will vote to grant a discount on all property taxes of the 1948 list, paid in full, 2 per cent on or before August 1, 1948, 1 per cent on or before October 1, 1948, or take any other action relative thereto.

11. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 9th day of February, in the year of our Lord nineteen hundred and forty-eight.

ERNEST Q. BIGELOW,  
CHARLES W. HOBBS,  
ANDREW L. MAILLOUX,

## FOREST FIRE PROBLEM SERIOUS

---

The year 1947 was one of the worst periods of drouth and forest fire occurrence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available

man power in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

CHARLES F. YOUNG,

District Chief.

CHIEF RICHARD C. MANSFIELD,

Forest Fire Warden.

## SCHOOL WARRANT

---

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Pelham, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 20th day of March, 1948, at 1.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the District will vote to sell its school house and outbuildings in District No. 5 (Currier Highlands). If voted in the affirmative, to determine the manner and to choose agents or committees to carry this vote into effect.

10. To see if the District will vote to sell, or otherwise convey, its school house, outbuildings and lot in District No. 3 (North Pelham). If voted in the affirmative, to determine the manner and to choose agents or committees to carry this vote into effect.

11. To see if the District will vote to establish a sinking fund to be applied at some future time to provide a building for a consolidated school. If voted in the affirmative, to raise and appropriate the sum of one thousand one hundred dollars (\$1100.00).

12. If Article 11 is adopted, to see if the District will vote to place the proceeds from the disposal of school houses in District No. 5 or District No. 3 or both in the sinking fund.

13. To see if the District will vote to raise and appropriate the sum of eight hundred dollars (\$800.00) for the purpose of developing the north basement room at the Junior High building and thus allow the temporary closing of the Gage Hill school.

14. To see if the District will authorize the School Board to bind the district in contracts for transportation of pupils for a term not to exceed five (5) years.

15. To see if the District will vote to raise and appropriate two hundred fifty dollars (\$250.00) to be used to harrow, level and seed the field on the north side of the Junior High school.

16. To transact any other business which may legally come before the meeting.

Given under our hands at said Pelham this 21st day of February, 1948.

ERNEST G. SHERBURNE,  
FREDERICK A. HOULE,

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

Pelham, New Hampshire  
February 3, 1948

To the School Board and Citizens of the School District of Pelham:

It is my privilege to submit to you a second report relative to your schools.

The work in the various grades has progressed well as shown by standardized tests. We cannot expect the same result with all individuals but we do hope that a year's progress may be made in each twelve month period.

During the summer considerable work was done in brightening the appearance within the school rooms. After a long period of waiting, electric lights are now available for use in the Gumpus school. With the removal of the stove and wood-burning furnaces at the Junior High building it became possible to somewhat enlarge the south basement room. This makes the room much more serviceable.

The tides of fortune ebb and flow. There was cause to rejoice when a man was found available to act as janitor in each building. The chance to have some heat in the building when teacher and pupils should arrive must have seemed like a luxury to Mrs. Donovan particularly.

As school sessions opened in the fall, it was found desirable to make some changes to relieve the pressure of numbers in one school. Having surveyed the transportation which would become necessary, we brought all of the first and second grade pupils of the Center and Gage Hill school areas to the Center school and put the third and fourth grades at Gage Hill. We think that the result has been beneficial. Each teacher can focus upon a somewhat narrower range of teaching material. The pupil load for the two teachers affected was made about equal.

We have a problem that has received much attention and must have much more before it is solved. This is the transportation from the North Pelham and

Gumpus areas. A larger bus must be provided so that efficient coverage of the areas may be had without undue crowding or loss of time. Perhaps the solution will be in a bus being provided by the school district. It is true that some savings can be effected through ownership by the district.

A proposal is to be made that the school district authorize the development of the north basement room in the Junior High school building for classroom use. The present thought is to temporarily close the Gage Hill building and house grades three and four at the central building. A major operation on the foundation of the Gage Hill school appears to be necessary if its use is to be long continued. Yet it is not impossible that the room at the Junior High building will be needed for the grades already there. There will be considerable crowding in fitting grades five through eight into three rooms unless a marked change in numbers should occur. The trend toward larger enrollments in all grades argues strongly for a more adequate housing in a centralized unit. We cannot delay much longer in facing squarely that issue.

The very unusual condition of drought during the fall is probably responsible for the near failure of the water supply at the Junior High School. Even though the present well may regain its supply, it should be noted that increased demands are likely to be made upon it with the rather certain increase in number of pupils at this school. Thus, it seems wise to urge careful attention to the suggestion to drill an artesian well.

Now that we have had a full year of operation of the heating plant at the Junior High building, a word about it may be in order. It appears to be well worth the expenditure in more favorable heating. It has proved quite economical in operation.

May I congratulate the School District of Pelham on having chosen members of the School Board who are so completely motivated by the desire to obtain the greatest good possible for all the pupils.

Respectfully submitted,

HERBERT W. CANFIELD,  
Superintendent of Schools.

## REPORT OF THE SCHOOL NURSE

---

Pelham, New Hampshire  
February 1, 1948

To the Superintendent of Schools, the School Board  
and the Citizens of the Town of Pelham:

I herewith submit my annual report as school nurse,  
from February 1, 1947, to February 1, 1948.

|  |     |
|--|-----|
| Number of pupils examined (3 examinations) | 488 |
| Number of pupils having defective vision   | 11  |
| Number of pupils having defective hearing  | 3   |
| Number of pupils having defective tonsils  | 27  |
| Number of pupils having pediculosis        | 11  |
| Number of pupils having whooping cough     | 5   |
| Number of pupils having ringworm           | 1   |
| Number of home visits                      | 80  |
| Number of school visits                    | 143 |

Last February we had quite a number of bad coughs. Some of these were diagnosed by the family doctor as whooping cough while others were not classified as such, therefore only 5 cases are reported.

This year there were 11 cases of pediculosis at one time, but this condition is under control.

There have been no other contagious diseases during the year and with so much sickness in surrounding towns and cities, I think we have been very fortunate.

I would like to thank Mr. Canfield, the School Board, the teachers, and all the parents who have cooperated with me in the past year.

Respectfully submitted,

ANNA M. HORSKIN, R.N.  
School Nurse.
